WARNER'S SAFE CURE

For over fifty years Warner's Safe Cure has been the only complete, permanent and safe home cure for kidney, rheumatism, gout, gall stones, uric acid, and all diseases of the kidneys, liver and bladder. Sold at all drug stores, or direct, 35 cents and \$1.00 a bottle. Write to Warner's Safe Cure Co., Westchester, N. Y., for free medical book. REFUSE SUBSTITUTES. 27th anniversary sale, greatest bargain event.

NO other sale of the year offers economies so unusual, and no other sale has met with such unqualified success. Monday, August 6th, the first day of the sale, all records for the month were broken before 2.30 in the afternoon.

Everything given display space or advertising representation during this anniversary sale MUST be an EXTRAORDINARY BARGAIN. Everything must be strictly in season.

Manufacturers and importers have been notably liberal in price concessions, and every department manager is under instructions to cut prices to the lowest possible margin. We want all our customers to share in the savings offered. Read every item carefully. They're small in type, but assortments are large, and the values have never had a parallel.
